

For at least the foregoing reasons, Applicants respectfully submit that Jones fails to disclose or suggest each and every feature recited in claims 27 and 31. Accordingly, Applicants respectfully submit that claims 27 and 31 define patentable subject matter over Jones, and respectfully request that the above rejection be reconsidered and withdrawn.

If the Examiner believes that contact with Applicants' attorney would be advantageous toward the disposition of this case, the Examiner is herein requested to call Applicants' attorney at the phone number noted below.

The Commissioner is hereby authorized to charge any additional fees associated with this communication or credit any overpayment to Deposit Account No. 50-1446.

Respectfully submitted,

October 9, 2007

wheelchair

wheel·chair [wéel chér, hwéel chér]
(plural wheel·chairs)

noun

Definition:

chair on wheels: a chair with two small wheels at the front and two large wheels at the sides, used as a way of moving around by somebody who cannot walk. Wheelchairs may be propelled by turning the large wheels, by somebody pushing from behind, or by a small motor.
